Answer

MINISTER OF STATE IN THE MINISTRY OF DRINKING WATER & SANITATION
(SHRI RAM KRIPAL YADAV)
(a) Under Nirmal Bharat Abhiyan/Swachh Bharat Mission (Gramin), funds to the States are not allocated for specific components. However, under Swachh Bharat Mission (Gramin), upto 5% of the district project outlay subject to a maximum of Rs. 1.5 crore can be used as revolving fund including for setting up of Rural Sanitary Marts/Production Centres. Funds under revolving funds are not spent. The revolving fund may be given to Societies, Self Help Group or other groups for providing cheap finance to their member for the construction of toilets. Loan from this fund is to be recovered in 12-18 instalments.
(b) Swachh Bharat Mission (Gramin) has been launched from 2.10.2014 with a goal to achieve Swachh Bharat by 2nd October, 2019. Since Nirmal Bharat Abhiyan (NBA)/Swachh Bharat Mission (Gramin) is demand driven scheme, hence no state-wise targets are set. The State/UT-wise number of Individual household latrines (IHHLs) constructed during last 3 years and current year is as under NBA/SBM(G) is at Annexure-1.
